Yesterday afternoon a couple of white back drivers engaged in a row at Luehrman's saloon on Monroe street, and Officer Jenny, one of the best officers on the force, entered the office to make an arrest. He was at once assaulted and beaten by the rowdy mob of hackmen. He called upon several citizens present to assist him, but they failed to respond, so he was left at the mercy of the drunken crew, who held him and beat him while he was attempting to perform his duty as an officer. Those who participated in the deadly assault were Jack Eagan, Barney Farrell and Dan Donohue, hackmen.
